

Dear Provider,

NextLevel Health wants its pharmacy Providers to remember that Meridian Rx functions as the Pharmacy Benefit Manager for its Members. NextLevel Health does not contract directly with pharmacies for reimbursement of these services. In order to participate with Meridian Rx, to provide and be reimbursed for pharmacy benefits, you may access their website following the link below:

www.meridianrx.com

Alternatively, pharmacies may call the Enrollment Department at 313-324-3800 to request an agreement by phone or email a request to pharmacyservices@meridianrx.com. Providers may send additional email inquiries directly to info@meridianrx.com, or call 855-323-4580. Please include a detailed description of your pharmacy request in your correspondence and the assigned Meridian Rx representative will contact you.

***Note: All chain stores will be enrolled using the organization's corporate location rather than by individual location.**

If pharmacies provide medically-necessary Durable Medical Equipment (DME) covered services not reimbursable through our PBM, they may be eligible for reimbursement directly by NextLevel Health, pursuant to the State of Illinois Medicaid billing guidelines. In order to contract directly with NextLevel Health for these services, please contact NextLevel Health directly and speak with Provider Services at 844-807-9734 or provider.services@nlhpartners.com.

NextLevel Health would like to thank you for your continued partnership in helping us stay committed to the neighborhoods we serve. If you have any questions or concerns, contact NextLevel Health at 844-807-9734 or www.nextlevelhealthil.com.

Respectfully,
