

Provider Memorandum

NextLevel has partnered with Payspan Health to provide industry leading and innovative web based solutions for **Electronic Funds Transfer and Electronic Remittance Advice (EFT/ERA)**. These services are being provided to you at no cost and will allow you to enjoy faster payments and easier claim reconciliation.

NextLevel Health encourages **all** providers to register with Payspan for and take advantage of all the benefits that they offer such as:

- Improved cash flow – Electronic payments are direct deposited into your account
- Safety and security – Payspan has developed industry leading infrastructure to ensure data integrity and security
- Reduce administrative and accounting expenses – Electronic payments reduce paper check costs and electronic remittances can be directly imported in your patient accounting and practice management systems at no cost to you, the provider.

With more than 25 years of payments expertise, Payspan, Inc. is a trusted source of innovative healthcare reimbursement solutions that are Empowering the Healthcare Economy for payers, providers, consumers and banks.

Payspan's customers comprise an elite array of industry-leading payers, providers and solution partners, spanning the healthcare reimbursement spectrum. Payspan securely facilitates healthcare payments and new reimbursement strategies that improve patient experience and reduce costs. Registering with Payspan is fast and easy.
