Provider Memorandum

P&T Changes March 2019

NextLevel Health (NLH) is committed to improving the health of Chicago and Cook County communities. Our approach is simple...to provide needed care and support services to our members within their communities and homes.

Our mission is to effectively manage the health and wellness of our members through strong partnerships, defined care workflows, and a focus on anticipatory management of health concerns and conditions through a coordinated approach.

NLH is continually evaluating its processes, vendors and covered services. The Utilization Management/Pharmacy Care meets quarterly to review utilization and formulary medications.

The following changes will be effective March 18, 2019.

Drug name	Action item
Vagifem	Add to formulary
Symtuza	Add to formulary
Nuplazid	Add to formulary with PA
Albuterol Inhaler	Add to formulary. Brand Ventolin [®] will require a PA.
