Notice Regarding NextLevel Health Electronic Data Interchange (EDI) Payer ID Change

Dear Provider:

Effective **May 15, 2019**, NextLevel Health will have a new Payer ID number via Change Healthcare.

Please advise your billing entities, and all associates who need to be made aware of this important change.

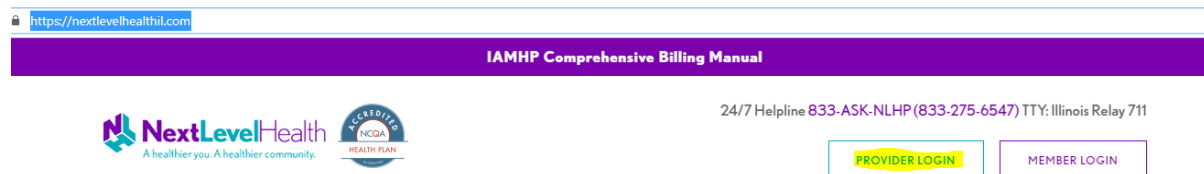

The current Payer ID of 69821, will change to **81085**

This change will affect ALL claims submitted as of May 15, 2019, regardless of Date of Service (DOS).

We strongly encourage providers to submit claims electronically via “EDI” submission. This is the preferred method of claims submission which is secure and efficient. However, we realize that all providers may not be able to do this.

As a reminder, there are two additional ways to submit claims noted below:

- **Website:** (Provider Portal login required): <https://nextlevelhealthil.com/>

- **Paper Submission:** Alternate method via paper to our P.O. Box:

**NextLevel Health
Attn: Claims Dept.
P.O. Box 5050,
Farmington, MO 63640-5050**

If you have any questions, please contact **833-ASK-NLHP (833-275-6547)** or contact ProviderRep.Webex@nlhpartners.com.
